Conference Hall Meeting Room

The Conference Hall

With a **capacity of 97 seats, extendable up to 145**, the Conference Hall is the heart of the Conference Centre and is equipped with the latest **state-of-the-art video and audio systems** and a modern control station.

Screen: LedWall with 144 LED panels and 4K resolution equal to 8,294,400 pixels and 2 cameras with 4K resolution for filming the stage and the audience

Audio: 2 wall speakers, 6 ceiling speakers, 2 ceiling subwoofers, 5 table microphones and 1 room microphone

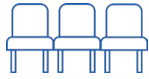

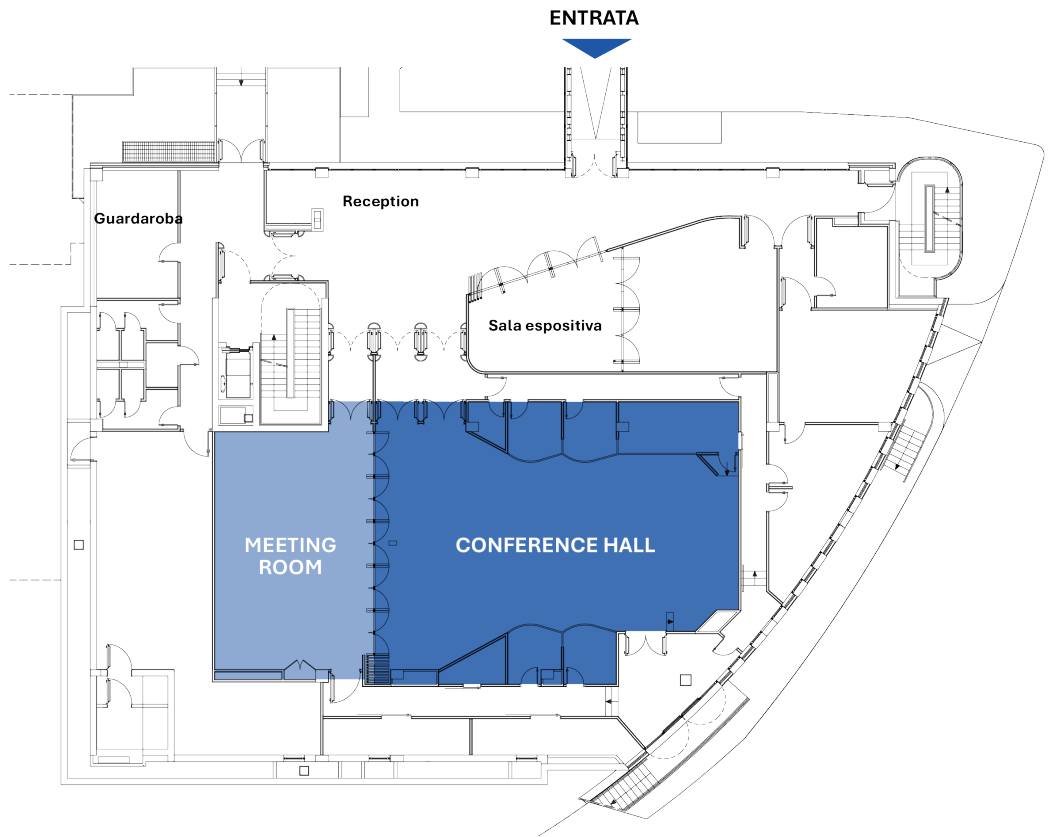

Control room and streaming: a fixed control station for conference calls, with a dedicated station for 4K web streaming

The Conference Hall is also equipped with booths for multilingual simultaneous translation (equipment and setup are the responsibility of the event organiser).

The booking request must be sent to segreteria.congressuale@areasciencepark.it at least 15 days before the date of the event.
